JUST A REMINDER for Garbage/Recycling in the Town of Fulton

The State of Wisconsin requires all residents to recycle. A Special Charge for Refuse/Recycle pick up is placed on every tax bill with improvements designed for human occupancy.

**ALL RESIDENTS
MUST RECYCLE.**

Some items require contacting the hauler to set up a pick-up schedule as well as an extra fee, so please keep the new insert as a handy reference guide.

If you need a cart, or have additional questions, please contact the Veolia Environmental Services @ 1-800-248-2373

Veolia Environmental Services provides a 95 gal. recycle and a 95 gal. garbage cart to each residence. Garbage is picked up on a weekly basis, and recycling is picked up every other week.

In addition to the weekly cart service, Veolia will offer the residents (1) additional item per week in excess of the limitations of the trash cart, not to exceed one cubic yard of waste. You can view the '10 Recycle Pick-up Calendar at www.townoffulton.com

In order for Veolia to effectively empty these carts, each one must be placed on opposite sides of the driveway with the wheels of the cart placed towards the house so the lids open towards the truck. There must be a 3' clearance on each side of the cart so there won't be any interference with the arm that picks the cart up.

The increased Refuse/Recycle charge on your 2009 tax bill is due to the Environmental Management and Non-Point Tipping fee increase of 356%, and the WI Recycling & Renewable Energy Fund Tipping Fee of 175%.

Town of Fulton Fire Numbers

The Town of Fulton in conjunction with the Edgerton Fire/EMS would like to remind everyone to keep address markers clear of any brush or obstructions. **Also the address markers should be placed at the entrance of your driveway on a separate post, not affixed to a tree or mailbox.**

If your address marker (fire number sign) needs replacing you may order a new sign from the Fulton Clerk. The cost of the sign is \$50 which includes installation.

The new fire number signs are designed to be perpendicular to the road so it can be seen from both directions.

The Town of Fulton's Building Inspector is Kelly Green of General Engineering Company-Building Inspections Division. He can be reached at 608-697-7771

Town of Fulton permits the burning of yard waste, i.e. leaves, branches. However, if you are going to have a controlled burn, you **MUST** contact the Edgerton Fire Protection District at 608-884-3327, or the Non-Emergency 911 Dispatch Center 608-757-2244 in advance, informing them of your name and address and that you will be having a controlled burn. If you do not make the call and the Fire Department responds to a fire call at your address, you may be responsible for a \$500 fee.

**For Emergencies – call 9-1-1
Non-emergencies – 608-757-2244**

Complaints for the Chief of Police can be made by calling the Town office 608-868-4103 or calling Blaine Larson directly after 3:30 p.m. at 608-868-4487

ELECTIONS

The poll workers would like to thank you for your patience and cooperation on Election Day!

Elections for 2 supervisor seats (Brown & Veitch) will be in April of 2010. If you are interested in serving as an elected official in the Town of Fulton, please contact the clerk-treasurer for more information.

REMINDERS

Your Motor Vehicle Registration

When you register your vehicles with the Dept of Motor Vehicles, make sure you indicate they are kept in the Town of Fulton, not the city of your mailing address. It affects town revenues and taxes

Ordinance #376-4 – Obstructions or Excavations:

No person shall allow or permit any person to obstruct or excavate beyond the lot line of that person's land or within any public highway, road, street or alley right-of-way in the Town

Ordinance # 376-9 – Parking Prohibited:

In consideration of highway maintenance (*especially snow plowing*) and safety issues, the Town of Fulton forbids the parking of any motor vehicle on roads, including the right-of-way, within this Town.
